
Encinitas Country Day School Recommended Dress Guidelines for Elementary School Students

These guidelines generally establish a simple dress code for our students. Students wear navy or khaki pants, shorts, skirts or skorts with a burgundy or navy top and a contrasting sweat shirt, jacket or vest as the preferred everyday school dress. In addition, white shirts, navy or burgundy jumpers and burgundy ties and black shoes are added for dress occasions.

We have researched suppliers and found that www.izoded.com (IZOD School Clothes through J.C.Penny) and www.ez2buyschooluniforms.com are two companies (of many) that offer a variety of school styles at reasonable prices. Your efforts to see that your child/children dress according to the following guidelines will be appreciated.
